Experience Certificate

The Secretariat for Academic Affairs-University of Nyala certifies that Mr. Alnour Altoum Abdallh Adam had joined the University of Nyala as teaching assistant at the faculty of Science and Information Technology, Department of Mathematics in November 2016. He was promoted to a lecturer at the same department after obtaining his Master Degree in Mathematics at University of Khartoum – Sudan in April 2017 and still in the same post. During the time he participated in many academic activities related to the development of the Department of Mathematics and Faculty of Science and Information Technology.

Since he was a lecturer, **Mr. Abdallh** participated in teaching the following courses at Faculty of Science and Information Technology:

Differential Equations-1, Vector and Mechanics, Linear Algebra-1, Mathematics-2, Basic Mathematics-1, Real Analysis-1, Vector Analysis, Complex Analysis, Partial Differential Equations, in addition to teaching Mathematics -1 at Faculty of Economics and Commercial Studies and Discrete Mathematics at Faculty of Technology and Community Development.

He has excellent interpersonal skills, collaborative, dedicated and has ability to work and cooperate with a multicultural environment.

We wish all the success in his future endeavor.

This certificate was issued upon his request.

Best Regards,

Dr. Abbakar Adam Mohammed Adam

Secretary for Academic Affairs

University of Nyala
